Dear Friends!

For the International Waldorf Upper School Teachers' Conference 2025 we have a small travel fund for travel to Kassel from which you can apply for support. It is also possible to apply for a reduction in the conference fee.

You will receive your previously approved grant in cash at the beginning of the conference. Please complete the form attached below and return it to us as soon as possible. Grant requests should not exceed half of the actual travel costs, the amount of support granted will depend on the financial resources available. We hope to be able to provide what is necessary.

With the warmest greetings,

Dorothee Prange
Pedagogical Section
